

# Excel Electrochem Technology

Exceeding All Norms

# History

Importing of Lithium Cells and Manufacturing **Lithium Battery Pack**

2017

Manufacturing Heat Sealed Motorcycle, Automotive and Traction Batteries

2006

Manufacturing **VRLA Batteries**

2001

Leading company in manufacturing **Highest Quantity and Quality Battery Plates**

1991

Manufacturing Raw Material using German Machinery,  
**First in Western Zone Of India**

1981

Manufacturing **Motorcycle Batteries**

1971

Founder **Mr. Tejpal Sanghvi**

1961

# Introduction

Powering Nation Since **1961**,

**Excel Electrochem Technology** formerly known as **Excel Battery Industries**, has created a Systematic and Hands-On approach in providing Quality Service to the Nation. Our motive is to promote electric rechargeable products, which reduces the risk of harming the environment, we believe in working towards a better environment, to make a better world.

As its said, Time is Precious:

*" We have Technology and Experience that can give you Quality on Time."*

**Address :-**

**EXCEL ELECTROCHEM TECHNOLOGY**

Industrial Unit No.: 2, Narayan Bhoir Compound

Opposite Shanti Nagar Police Station, Kalyan Road,

Bhiwandi, Maharashtra, India - 421302

# Importers Of Cells and BMS (Battery Management System)

- Lithium-Ion
- Lithium Ferrous Phosphate
- Lithium Polymer

Available in Cylindrical, Polymer and Prismatic types.

Battery Management System (BMS) works as Brain of the Battery which manages and keeps the battery in state where you should not have problems while using the Lithium Batteries, also we provide Waterproof BMS, Smart BMS, CAN BUS BMS.

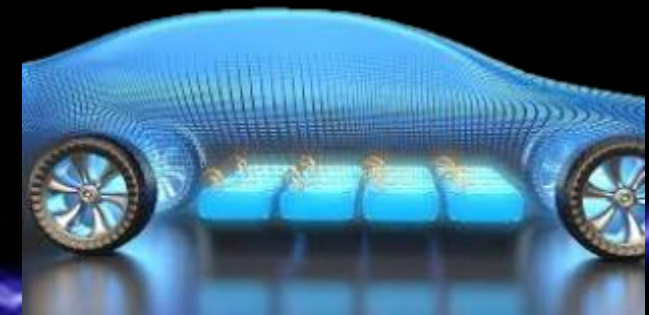

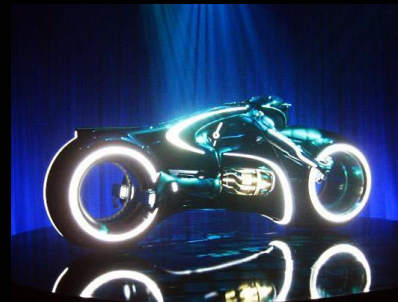

We have Approved highly reputed BMS Manufacturers which we provide with our Battery Packs.

# You Say and We Get That Battery Pack For You !

As per Requirement, we provide Customized Battery Pack Solutions.

- E-Bikes
- Electric 3 Wheelers
- Electric 4 Wheelers
- ESS
- Rechargeable AC/DC Led Bulbs
- POS Applications
- Solar Applications
- Inverter Battery
- Medical Devices

**and for many Rechargeable Products**

# Why choose us?

- Committed to Quality and we mean it.
- All Test Reports and Datasheet will be shared
- 10+ years of professional experience staff
- Reliability and Support Client's Interest
- Business, Creative, Industrial and Ethical Thinking
- **We Discuss -> Discover -> Develop -> Deliver**
- We are direct importers and have our **own facility to Make and Test Battery Packs.**
- Follow Ups and Updates will be given time-to-time.
- **We Plan -> Evaluate -> Measure -> Execute**

*“ Amazing Things Will Happen When You Listen To Your Customer “*

*“ Lets Create Solution For A Better Environment “*

We at Excel Electrochem Technology truly believe in Providing Quality Batteries which Lasts Longer and provides Best Performance.
